

AMERICAN FORGE & FOUNDRY

25' RECOIL AIR HOSE WITH 1/4" BRASS FITTINGS

Designed for reliable air delivery and everyday convenience, this 25-foot recoil air hose extends when needed and recoils for compact storage. Durable polyurethane construction resists kinks, crushing, and abrasion, while lightweight handling and flexible fittings make it ideal for garages, workshops, and professional service bays.

25' RECOIL HOSE
EXTENDS FOR MAXIMUM REACH AND RECOILS FOR COMPACT STORAGE

DURABLE POLYURETHANE CONSTRUCTION
RESISTS KINKS, TWISTS, CRUSHING, AND EVERYDAY WEAR

1/4" (MODEL 7760) OR 3/8" (7780, 7800) INNER DIAMETER
