INTRODUCING

THE ALL-NEW

FULL-BRIM DESIGN

ABS SHELL

Tough and lightweight in both extreme heat and freezing temperatures

FULL-BRIM DESIGN

Engineered for maximum all-around protection—keeps rain, sun, and debris off your face, ears, and neck

EPP LINER

Protection from side impact, slips, trips and falls

6-POINT COMFORT PLUS AIR-COOLED SUSPENSION

Designed for enhanced airflow, reducing heat buildup and keeping you cool and comfortable

QUICK-FIT HEADBAND

6-point suspension with 370 Speed Dial ratchet and “Quick-Fit” headband

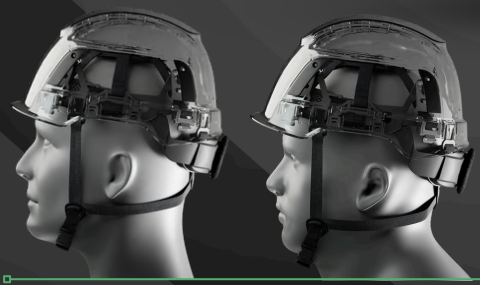

4-POINT CHIN STRAP

with synthetic leather band

360° FULL-BRIM PROTECTION

Extended brim protects from sun, rain, and falling debris; engineered to smoothly integrate with Jackson welding helmets and face shields

FITS EVERY HEAD. PROTECTS EVERY WORKER.

Easy Grip-Easy Turn – 370 Speed Dial ratchet adjusts to the widest range of head sizes 6½ – 8½ (52 cm – 68 cm) ensuring a secure and personalized fit.

COMFORT IN EVERY CURVE. AIRFLOW IN EVERY MOVE. THE ULTIMATE HEAT STRESS SHEILD

The 6-Point Comfort Plus Air-Cooled Suspension is engineered for airflow, not just fit. By allowing heat to escape and fresh air to circulate, it fights heat stress better than any helmet in its class—keeping you cool, focused, and ready to work.
