

# 1/16" SOLID PUNCH

Product # 775420 | Model # SP116

- Made of the highest grade carbon steel, accurately hardened and tempered preventing splintering and extending life
- Powder coated shank protects against rust
- Edges accurately tempered to stay sharp
- Extra-thick Hexagonal shanks minimize roll away
- Working ends accurately ground and hardened to HRC 52-58 for maximum service
- Striking end hardened to HRC-42 maximum – won't chip or mushroom
- Meets Canadian Government Specifications CDA39GP-43a
- Warning: Always use punches and chisels on materials softer than the hardness of the punch itself
- Solid (or starting) punches are used prior to using a pin punch and are useful for loosening frozen or tight pins and keys  
WARNING: Always wear safety goggles
