

ALL-PURPOSE INDUSTRIAL TRACTION AID - S

Product # V3550370-S | Model # All Purpose Industrial

The Due North All-Purpose Industrial traction aid offers unparalleled grip, maximum durability, and superior operator safety. Best for those who play hard and work harder in ice and snow.

- 8 (16/pair) industrial quality tungsten carbide spikes provide maximum traction and performance
- Specially formulated 100% rubber provides maximum flexibility and durability even in extreme cold
- “Pulse Grip” tread pattern provides added traction and grip
- Geometrically designed webbing, improved shape and molded holes for optional retention strap allows the traction aid to fit a greater variety of footwear (retention strap sold separately)
- Improved heel fit for better performance and additional spikes in heel pad for added security on ice

WARNING : Due North traction aids help give you traction on ice, snow or similar porous surfaces. However, because NO product can completely prevent a slip or fall on slippery surfaces, remember to exercise care when walking or running in Due North traction aids. Caution should also be taken when moving on any hard or polished surface such as granite or marble, on ladders, or when driving a vehicle. Use care, as these traction aids are sharp and may injure or damage flooring, surfaces, or skin. Due North traction aids are not to be used for mountaineering and/or hiking, in rocky terrain, or when the user may encounter steep up or down slopes. Due North traction aids are not designed or intended to be used on high heel footwear. This product contains latex. Surefoot makes no warranties unless expressly stated.
