OBERON™

## ARC FLASH & GAS EXTRACTION

Oberon is a pioneer in innovative safety products like Face-Fit face shields and arc flash hoods. These advancements provide comprehensive protection for workers in utilities, industry, and municipalities. Oberon ensures best-in-class quality through in-house manufacturing and rigorous third-party testing, exceeding industry standards. Oberon arc flash apparel and PPE is built to the highest standards at our dedicated Massachusetts manufacturing facility.

MADE IN USA

RELIANCE fall protection

## FALL PROTECTION

Reliance Fall Protection®, a SureWerx brand, is built on a legacy of exceeding expectations in personal fall protection. Known for setting higher standards in safety and accessibility, Reliance delivers trusted solutions that meet rigorous ANSI Z359 and ISO 17025 standards—all backed by a commitment to regional and national availability. Our fall protection systems are proudly engineered and manufactured in our facilities in Texas and Colorado, ensuring quality you can trust. Now powered by SureWerx, Reliance is poised to expand its impact across global markets while continuing to protect what matters most: the worker.
