

FLAME-GARD® 100% COTTON SAFETY WORK SHIRT - BLACK PLAID - L

Product # V2520670-L | Model # 5781

The Pioneer® Plaid Flame-Gard® Safety Shirt is made of 100% cotton for comfort, warmth, and breathability. Inherent FR protection lasts for the life of the garment.

- Material – The Pioneer safety work shirts are designed to promote comfort and mobility. Made from 100% premium cotton, these shirts are sewn with inherently FR thread and have flame resistance guaranteed for the life of the garments
- Design – The plaid workwear are constructed with non-conductive FR buttons to maintain longevity of the garment. These shirts are also highly functional during field work with 2 chest pockets with flaps, a pen slot on the chest, and adjustable wrists
- Certification – With an ARC 2 rating, the material and all components meet CGSB 155.20-2017 and NFPA 2112-2018 certified to UL. The shirts are CSA Z462-2018 certified and have an average thermal protective performance value of 9 cal/cm² and an ATPV of 10 cal/cm²

TECHNICAL SPECIFICATIONS
