

CUT AND IMPACT-RESISTANT GOATSKIN GAUNTLET CUFF GLOVES (PAIR) WITH TPR - LEVEL A5 - 2XL

Product # V5012240-2XL | Model # 5385

- Features – These level A7, Cut-Resistant Gloves are made from a 13-gauge composite filament and a non-coated back, that provides increased breathability and flexibility
- Benefits – The ergonomic PU-coated palm and finger deliver a better grip and abrasion resistance, equipping these gloves with superior cut-resistance and dexterity
- Applications – Designed to be used in various industries including automotive, glass & sheet metal handling, or metal stamping/fabrication
- Certification – Sold by the dozen, or 6 dz/pkg, these gloves administer ANSI level A4 cut-resistant protection and ANSI abrasion level 5 and puncture level 4
