PERSONAL ANTI FATIGUE INSOLE - MAT PUNCTURE RESISTANT - M1213

Product # **PAMPR-M1213** | Model # **F99P1213**

MEGAComfort's Personal Anti-Fatigue Mat (PAM)® Puncture Resistant Insole is ergonomically designed by a Podiatrist, using a patented combination of high density dual layer 100% memory foam with an encapsulated steel plate that meets and exceeds ASTM F2413-11. MEGAComfort insoles have been clinically proven and field tested to reduce pain and fatigue while increasing balance and comfort. The PAM Puncture Resistant insole protects from sharp objects such as shards of glass, metal and nails, making them far more effective in construction and renovation environments. Tested for penetration resistance and corrosion. Ideal for those who are mobile and work outdoors. For use with Industrial – Industrial - Safety, Construction and Steel-Toe Footwear

- Meets and exceeds ASTM F2413-11
- Made of patented 100% dual layer memory foam
- Ergonomically designed by a doctor
- Soft contoured arch support provides balance, comfort and cushioning
- Silver ion anti-microbial technology in top cloth offering anti-bacterial, anti- perspiration and anti-odor protection
