ASSEMBLY

Before assembly of this product, make sure all parts are present. Compare parts with the contents list and diagram. If any part is missing or damaged, do not attempt to assemble, install, or operate the product.

Step 1. Assemble 4 casters (No. 9) through the hold on the side tray's frame (No. 4), as shown in Fig. A. Tighten the sleeve nut using an inner hexagon wrench.

Step 2. To assemble two magnetic tool trays, insert the bolt (No. 10) through the support bar (No. 18), then through the holes on the frame of side tray (No. 4), then through the body frame (No. 2). Add the washer (No. 12) to tighten the nut (No. 11), as shown (Fig. B).

Step 3. To assemble the rear tool and screwdriver holder, screw the bolt (No. 5) into the hole on the back side of the body, as shown (Fig. C).

Step 4. Final assembled product shown (Fig. D).

Step 5. The side tray folds down using the buckle (No. 19), which is inserted in the hold in the frame, as shown (Fig. E).
