JACKSON®
SAFETY

Whether you are a professional welder or part time enthusiast, Jackson Safety's new graphic style auto darkening helmets will reflect your personal style while allowing you to perform at your best. Choose from a variety of options including viewing size, switching speeds, shade ranges, and more. Hallmark advantages like the **370 Speed Dial®** ratcheting headgear system, ultra-lightweight design, and world class optics are just a few of the reasons why Jackson Safety® continues to set the standard in premium welding helmets.

6 FEET UNDER PREMIUM AUTO-DARKENING HELMET

- Best in class 1/1/1/1 optical clarity rating provides a crystal-clear view of the weld
- Exclusive 370 Speed Dial® ratcheting headgear system provides unsurpassed comfort, convenience, and productivity
- Professional-level switching speeds reduce eye strain and fatigue
- Extended front provides maximum protection from sparks and slag
- Ultra-lightweight design is ergonomically balanced and ideal for all-day use
- Powered by solar technology and one CR2032 replaceable battery

9.3 sq. in. viewing area!

Switching speeds of 1/25,000 sec. minimizes eyestrain

Best in class 1/1/1/1 optical clarity

4 arc sensors provide maximum eye protection and coverage

Super lightweight and ergonomically balanced

Extended front increases protection from sparks and slag

The World's Greatest Ratcheting Headgear System—Period!

Our patented Jackson Safety® **370 Speed Dial**® offers the fastest, easiest, and most efficient ratcheting headgear system in the industry today! The 370 Speed Dial® incorporates two unique designs—an oversized ratcheting adjuster knob, and a patented “quick-fit” rear headband that swivels up and down. Together, these two features combine to achieve a perfect fit every time, increasing safety, productivity and satisfaction. Try any of our industry-leading Jackson Safety® products that incorporate our famous 370 Speed Dial® and experience the difference yourself!
