HI-VIS CONVERTIBLE ZIP-OFF SAFETY CARGO PANTS – NAVY – 32X32

Product # **V2080780-32X32** | Model # **4468**

Delivering an ultimate combination of versatility and comfort, these cargo pants are designed with hidden zippers providing easy transition from pants to shorts for year-round use and are made with premium ripstop fabric for a durable design yet comfortable feel.

- High denier “Ripstop” fabric offers unparalleled abrasion and tear resistance
- Easy-care poly/cotton material is durable, comfortable, breathable, and wrinkle resistant
- Tapered and modern design offers plenty of room while still providing an overall slim fit
- Special “zip-off” design can be worn as shorts for cool working comfort or as pants when full coverage is required
- Premium StarTech® reflective tape provides maximum visibility even in low-lit working conditions
- Made with bar tack stitching for maximum reinforcement on all stress points
- Includes 2 front slash pockets with dual-layer bottom to resist punctures from sharp objects
- Features 2 hip pockets with hi-vis trim and button closure
- 10 total pockets deliver unsurpassed functionality for storing tools and personal effects
- Ideal for construction, manufacturing, transportation, warehousing, and other demanding industries
