

1/16" PIN PUNCH

Product # 775400 | Model # PP232

- Made of the highest grade carbon steel, accurately hardened and tempered preventing splintering and extending life
 - Powder coated shank protects against rust
 - Edges accurately tempered to stay sharp
 - Extra-thick Hexagonal shanks minimize roll away
 - Working ends accurately ground and hardened to HRC 52-58 for maximum service
 - Striking end hardened to HRC-42 maximum – won't chip or mushroom
 - Meets Canadian Government Specifications CDA39GP-43a
 - Warning: Always use punches and chisels on materials softer than the hardness of the punch itself
 - Ideal for driving out and removing already loosened pins and keys after initial movement by a solid or standing punch
- WARNING: Always wear safety goggles
