

5" ANGLE GRINDER

Product # 402305 | Model # AG50L

- For maximum performance we recommend 90 PSI air pressure
- An excellent standard duty angle grinder
- Lightweight and compact design
- Self-locking lever throttle prevents accidental start-ups
- Ideally suited to the automotive aftermarket and medium duty industrial markets such as the M.R.O. and machine shop industries
- Standard Accessories: side handle, guard, wrenches, grinding wheel, 5/8" - 11 NC adapter
- Note: Grinder comes with 10mm x 1.25" spindle shaft. However an adapter is included to convert unit to 5/8" x 11NC if desired

TECHNICAL SPECIFICATIONS
