61" X 25" WORKBENCH - 1,300 LB CAPACITY

Product # **843005** | Model # **JSWB-6125**

Rugged and sturdy workbenches made with heavy-gauge steel for a lifetime of use and featuring a generous-sized work space to keep tools and parts organized and always within reach.

- Heavy-gauge steel construction handles even the heaviest parts and assemblies
- Generous-sized work space has ample room for tools, parts, and components
- Under-bench storage shelf provides extra capacity and maximum versatility
- Adjustable footpads allow easy adjustment to accommodate uneven floor surfaces
- Retaining wall on sides and back keep parts and accessories from falling off
- Electrostatic powder coating with wrinkle finish provides superior protection from rust, scratches, and chips
- Made with reinforced cross bracing for maximum stability and support
- Large 100-lb capacity locking drawer provides added storage and security
- Ideal for machine shops, assembly plants, and industrial manufacturing
