

HEAVY-DUTY INDUSTRIAL TRACTION AID - XL

Product # **V3550570-XL** | Model # **Heavy Duty**

The Due North Heavy Duty industrial traction aids are the ideal solution for extreme winter work environments. The enhanced design provides maximum slip resistance and the extra confidence needed to work effectively in ice and snow.

- 14 (28/pair) industrial-quality molded-in tungsten carbide spikes provide maximum traction and performance
- Specially designed tread pattern provides maximum slip resistance
- Industrial-grade sole offers unparalleled grip, maximum durability, and superior operator safety
- Molded-in retention strap ensures a secure fit in all conditions
- 40% more natural rubber provides maximum cut and abrasion resistance

WARNING : Due North traction aids help give you traction on ice, snow or similar porous surfaces. However, because NO product can completely prevent a slip or fall on slippery surfaces, remember to exercise care when walking or running in Due North traction aids. Caution should also be taken when moving on any hard or polished surface such as granite or marble, on ladders, or when driving a vehicle. Use care, as these traction aids are sharp and may injure or damage flooring, surfaces, or skin. Due North traction aids are not to be used for mountaineering and/or hiking, in rocky terrain, or when the user may encounter steep up or down slopes. Due North traction aids are not designed or intended to be used on high heel footwear. This product contains latex. Surefoot makes no warranties unless expressly stated.
