

HI-VIS QUILTED FREEZER JACKET - HI-VIS ORANGE - 2XL

Product # **V1170150-2XL** | Model # **5015**

- **Material** – These Pioneer Safety Jackets promote durability with a strongly woven diamond quilted polyester material with 3.5 oz (120 GSM) insulation. The durable fabric and the double stitched StarTech® reflective tape enhance visibility in low-light conditions
- **Design** – The Rib knit gusseted action back allows for breathability while the black micro fleece comfort collar keeps users comfortable and insulated in cold/harsh weather conditions. The unique design of this safety wear keeps users protected and keeps the jacket from being deteriorated by moisture
- **Features** – For added utility, these safety jackets feature multiple pockets including 2 front slash pockets and 1 inside chest cell phone pocket for accessibility and user convenience. 5015A comes with an additional 2 internal storage pockets.
- **Certified** – These Freezer/Worker Safety Jackets are available in high-visibility orange, meet ANSI/ISEA 107-2020 Class 3 Type P and R standards and are CSA Z96-15 Class 2 Level 2 certified
- **Other Features** - 5015A comes with an additional 2 internal storage pockets while 5015 is designed with a black bottom portion for dirt and splashes for peace of mind in harsh weather conditions
