

15-IN-1 MULTI-BIT SCREWDRIVER

Product # H3400 | Model #

- Features a patented pullout bit cartridge
- 15-in-1 multi-bit screwdriver replaces 14 of the most popular bits, 14 screwdrivers and one 1/4" hex nut drive
- 2" double end bits are made of superior quality S2 steel for strength and durability
- Shaft is made of super high strength 12T14 steel for long life.
- End of shaft is a 1/4" hex nut driver
- Handle is made of durable nylon reinforced triax resin for longest life.
- Unique rotating cap design allows you to position the cap in the palm of your hand and rotate the driver handle with your fingers. The driver then acts like a gearless ratcheting screwdriver, increasing productivity while reducing blisters and operator fatigue
- Drivers are easy to use from both the left and right sides, allowing you to use them in tight, confined areas
- Collar also swivels 360° for fast, efficient driving of screws
- Made in the U.S.A.
- Drivers sold in 6 pack P. O.P. display Distributors please note: Drivers are sold in 6 pack P. O.P. displays only.

TECHNICAL SPECIFICATIONS
