

ANTI-FATIGUE SQUARE TOE INSOLE - M1213

Product # PAMSQ-M1213 | Model # F99SQ1213

MEGAComfort's Personal Anti-Fatigue Mat (PAM) Square Toe Insole is ergonomically designed by a Podiatrist, using a patented combination of high-density dual layer 100% memory foam. MEGAComfort insoles have been clinically proven and field tested to reduce pain and fatigue while increasing balance and comfort. The PAM Square Toe Insole provides maximum shock absorption and comfort in industrial square toed footwear, making them far more effective than the standard anti-fatigue floor mats at reducing muscle strain and improving balance reactions. Perfect for steel toe footwear as the memory foam compresses for safe clearance. Ideal for stationary, mobile and those who work outdoors. For use with Industrial square toe and cowboy style boots.

- Best fit in square-toe footwear
- For maximum shock absorption and comfort
- Same comfort and support of PAM in a square-toe footwear
- Made of patented 100% dual layer memory foam
- Features temperature regulating aeration holes
- Ergonomically designed by a doctor
- Machine washable
