

29 PC JET-KUT GOLD DRILL BIT SET - SUPER PREMIUM

Product # 570142 | Model # GF29

- . Features a bronze oxide finish to reduce friction and extend service life
- . Made from high molybdenum steel to offer superior strength and rigidity
- . 135° split point eliminates “walking” of the drill bit, protecting the substrate
- . Features fully ground flutes for better chip evacuation and enhanced cutting performance
- . Includes sizes 1/16” through 1/2” by 64ths in a compact and lightweight plastic casing
- . Torque drive features 3 ground flat sides, which reduces chuck slippage
