

# FR ZIP-STYLE HEAVYWEIGHT COTTON SAFETY HOODIE - HI-VIS ORANGE - M

Product # V2590450-M | Model # 484

Heavyweight safety hoodies deliver unsurpassed comfort and maximum protection from cold weather and work environments where potential flash fire and arc flash hazards exist.

- FR-treated preshrunk cotton material (400 GSM) provides optimum warmth and comfort
- Durable material holds up to the toughest working conditions
- Sewn with inherently FR thread for a lifetime of flame resistance
- Zip-up style provides added versatility and easy layering
- Detachable snap hood provides flexibility and style
- Includes dual front slash pockets for storing personal effects
- Tough double-stitched seams resist wear and tear
- Premium StarTech® FR reflective tape provides visibility even in low-lit working conditions
- Liberal sizing options available

## TECHNICAL SPECIFICATIONS

|                    |                                                                                                                                                                  |
