#### ABS SHELL

Tough and lightweight in both extreme heat and freezing temperatures

#### MICRO-BRIM DESIGN

Engineered for unobstructed sightlines, while smart rain-channelling keeps water off your face and neck

#### EPP LINER

Protection from side impact, slips, trips and falls

#### 6-POINT COMFORT PLUS AIR-COOLED SUSPENSION

Designed for enhanced airflow, reducing heat buildup and keeping you cool and comfortable

#### QUICK-FIT HEADBAND

6-point suspension with 370 Speed Dial ratchet and "Quick-Fit" headband

#### EASY GRIP-EASY TURN

370 Speed Dial ratchet adjusts to the widest range of head sizes 6½ – 8½ (52 cm – 68 cm), ensuring a secure and personalized fit

#### 4-POINT CHIN STRAP

with synthetic leather band
