

# MINI BUTANE TORCH

Product # 380021 | Model # JBT-1322

- Industrial quality hand held torches for a variety of applications
- Meets Consumer Products Safety Commission child safety standards
- Every torch factory tested for performance and safety
- Specially designed to prevent liquid gas from entering nozzle, preventing flame outs and allowing use in any orientation
- Piezo ignition requires no batteries or flints
- Micro flame heats a very small, precise area
- Air adjustment ring and gas adjustment valve allow precise adjustment of flame
- Anodized aluminum barrel is tough and corrosion resistant
- Can be locked in on position for production work
- Includes stand for hands-free use
- Uses standard butane lighter fuel (not included)
- Perfect for:
  - electrical and mechanical repair
  - jewelry making and repair
  - paint removal
  - soldering
  - brazing
  - bending plastics
  - thawing pipes
  - starting campfires
  - culinary use
- A must-have for any tool box
