

# FR-TECH® HI-VIS 88/12 7 OZ FR/ARC-RATED SAFETY VEST - ROYAL BLUE - XL

Product # V2540080-XL | Model # 7730

This vest provides flame and arc flash protection along with Hi-Vis functionality and a comfortable lightweight design. It is made with 88% premium cotton material and 12% high-tenacity nylon.

- Made with 88% premium cotton material with 12% high-tenacity nylon
- Premium Startech® reflective tape provides maximum visibility even in low lit conditions
- Hook & loop front closure is secure and can be undone with ease
- Lightweight design for improved wearer comfort
- Includes a cellphone pocket, radiophone clip strap, and D-ring access slot
- Flame resistance is guaranteed for the life of the garment
- Ideal for oil and gas, electrical industries, and work areas where flames and electrical arcs are prevalent

## TECHNICAL SPECIFICATIONS

|                     |                                                                                                                                                                                                                                                                                                                                                                                      |
