FR-TECH® 88/12 7 OZ ANKLE BANDS - ROYAL BLUE - O/S

Product # **V2541810-O/S** | Model # **7766**

These flame-resistant ankle bands comfortably secure your pant legs to your work boots to help prevent contaminants from coming into contact with the user's skin.

- Premium FR-Tech® material made with a cotton and high-tenacity nylon blend
- Lightweight and breathable material stays in place and won't interfere with body movement
- Secures pant opening over boots for a closed fit to help reduce contaminants from coming into contact with the wearer's skin
- Durable hook and loop closure provides a comfortable and customized fit
- Sold in pairs
