

# 60 TON SINGLE STAGE HIGH LIFT AIR/HYDRAULIC SERVICE JACK

Product # **030473** | Model # **860SHD**

**STRONGARM**

- Ideal for a wide variety of demands from the heavy duty trucking, agricultural, fleet, construction and military sectors
- The piston head seal design is borrowed from industrial technology providing a superior low and high pressure seal, giving this jack a much better hold under severe load conditions
- The extra-long 138cm (54") handle can be locked in 3 positions for easy positioning of this jack in hard to reach places
- An integral Descent Metering Valve maintains a controlled and safe lowering of the load
- Single piece base construction provides superior strength for increased load stability
- Double polished chromed piston allow for much tighter tolerances which reduce oil bypassing and reduced ram scoring
- Air assisted lowering speeds up ram retraction
- Built-in overload safety valve prevents damage to unit due to excessive load
- Comes with 2 extensions (100 mm and 200 mm) and saddle adaptor
- Units are tested to -25°C and +45°C as well as off centre loading to ensure a long life under even the harshest conditions
- Pneumatic wheels for easy maneuverability

TECHNICAL SPECIFICATIONS

|                      |               |
|----------------------|---------------|
| Capacity             | 60 T          |
| High Height          | 1,031 mm      |
| Low Height           | 420 mm        |
| Working Air Pressure | 116 – 174 PSI |
