

100% FIBREGLASS HIGH-TEMP WELDING BLANKET

Product # **S97455** | Model #

sellstrom.

- Designed for hot work operations
- Intended for use in horizontal applications with light to moderate exposures such as chipping, grinding, heat treating, sand blasting and light horizontal welding
- Strong, safe and chemical resistant
- Hemmed on all four sides with Kevlar® thread, brass grommets on corners and 36" centre
- Machine washable
- White fibreglass blanket has a 1,000° F continuous-service temperature rating
- Convenient blue vinyl pouch with carrying handles protects welding blanket from exposure to harsh UV rays, chemicals, moisture, dust, salt air, insects and temperature extremes
